

2021 Membership Information

Thank you for your interest in the Quantico Chapter of (ISC)2.

Our Chapter presents virtual monthly **Professional Development** meetings in Stafford, Virginia. Outside speakers conduct presentations on a variety of topics of interest to (ISC)2 members. Professional Development meetings provide one hour towards (ISC)2 recertification requirements. They are free to Quantico Chapter members. Guests may attend in-person chapter meetings free twice, and then must either join the chapter or pay a small monthly fee. Temporarily, this does not apply to online virtual meetings due to COVID-19.

Online Virtual meetings allows us to reach a larger audience than our in person meetings. We encourage more professionals, other chapters, and students to attend. Our online meeting are open to ISC2 certified professionals and individuals studying for the Cyber Security profession.

The (ISC2) Quantico Chapter sends monthly meeting emails and reminders to Security Professionals. If you would like to subscribe to our monthly email list and receive meeting invites, go to [Join-Us](#) Our Secretary can add you to our e-mail list so that you receive notices informing you of the speaker and topic each month, as well as the specific date, time, and location for the meeting.
